EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven Bauman on May 31, 2006.

The application has been amended as follows:

Please cancel claim 1.

Please further amend claim 17 so that it depends from claim 10 or claim 15.

The Examiner and Applicant had earlier agreed to an amendment of the claims that would make them all dependent from either claim 10 or claim 15. Although the PTO-37 form accompanying the Examiner's amendment did not mention claim 1 as an allowable claim, the Examiner had never formally instructed that it be cancelled and, thus, was still active.

Concerning claim 17, the Examiner had mistakenly stated that claim should be made dependent from claims 10 and 15. This, of course, is improper and the matter is corrected with the above amendment.

Claims 2-10, 14, 15, 17, and 18 remain allowable for the reasons of record.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc S. Zimmer whose telephone number is 571-272-1096. The examiner can normally be reached on Monday-Friday 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Randy Gulakowski can be reached on 571-272-1302. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
